## Deliverables 2 & 3 Report Template

(3-page limit per deliverable, single-spaced, 12-point font, 1-inch margins)

### **Deliverable 2:**

#### **Describe instructional intervention and/or innovation**

- Describe the innovation so as to contextualize the instructional change
- Describe how the innovation related to learning objectives in the course(s)

#### **Describe your assessment “method”**

- Briefly describe the assessment ‘methodology’ (i.e., pre-post, change, criterion-based, etc.) and/or ‘instrument’ (i.e., survey, media products, etc.)
- Include copy as attachment, link or appendix of the instructions to students (e.g., learning outcomes, assignment description, etc.) and assessment ‘instrument’ (i.e., survey items, evaluation items, rubrics, etc.)

#### **Describe results of your assessment**

- Describe the process by which assessment/evaluation of intervention/innovation was conducted
- Describe key results or findings of assessment/evaluation process

#### **Identify Implications of Assessment**

- Identify what changes that assessment/evaluation process imply for changes or revisions to the course(s)
- Articulate specific plans for next stage revisions

### **Deliverable 3**

- Based on yours and your colleagues’ Deliverable 2 findings, identify revisions /innovations and report in the same format as Deliverable 2

There’s an open timeline for completing each deliverable, however both should be completed by January 2010. Learning stories presentations will be scheduled accordingly. Stipend is awarded upon receipt of deliverable report. Please email it to Suzanne pict@rohan.sdsu.edu.
